Dear Louise -

Another week and a half have slipped by and I don't know where it has gone to.

Has it been very cold down there the last few days it has been pretty snappy here the last few mornings.

The other night the ~~radio~~<sup>radio</sup> went busted. You had to push in on the dials to make it go so what did I do but get a piece of wood out of the wood box and put it in so as to make a wedge and it went and it is just as good as ever.

We had a test in Shorthand Monday and I got 92 Can you imagine me making a mark like that in a test? I can't.

I am enclosing a clipping. We think that it must mean Russell Kenyon. I should think it would know better. I saw a car tonight that had a 1929 license tag on.

Aunt Nettie was up and stayed quite a while for her. She came up last Wednesday night and stayed
